FILES WITH SUBMISSION POLICY ISSUES REPORT

Project: **BP24-00035875 - 2824 S 30TH AVE - RSFD - 2 story wood framed home**

Report Date: **3/29/24 4:08 PM**

Unfortunately, these files cannot be uploaded into your plan review project because they do not satisfy one or more of the jurisdictional PDF submission policies.

To resolve, please follow the steps below

Step 1 of 2: Correct the issues

Please review the file list below with submission policy issues that were NOT successfully uploaded. Correct the issues denoted which may be any of the following:

- invalid file** file cannot be read or the file may not be a PDF file
- password** file appears to be password protected, please resave the file without password protection
- file naming** file naming is incorrect, check submission policy for acceptable file naming convention
- sheet rotated** recreate this PDF file in landscape orientation (sheet height less than sheet width)
- sheet size** recreate this PDF file to meet the minimum or maximum sheet/page size requirements
- multi-page** only single page PDF files allowed, split this multi-page PDF file into one page/sheet per PDF file
- not signed** file is required to be digitally signed, check submission policy for accepted digital signing methods

Files to be corrected - issues as submitted to folder: BP24-00035875\Drawings (1 total)

impact fee.pdf

Please fix: **sheet rotated**

Step 2 of 2: Upload corrected files

Return to your assigned submission task to select your corrected files. They will be rescanned for submission policies and if there are no issues, you will be able to upload these files to your plan review project and complete your submission task.
